

UPDATE 14 July 2010

Listen to the conference call

6 June 2010

We recently reported that Senator Murkowski introduced a Senate version of the RESTART Act. On Thursday July 15, 2010 at 1pm we will be hosting a conference call with a staff member on the US Senate Committee on Energy and Natural Resources to discuss the bill and its implications.

Original Article:

On June 22, 2010 Senator Lisa Murkowski (R-AK) introduced a bill (S.3521) called "A bill to provide for the reestablishment of a domestic rare earths materials production and supply industry in the United States, and for other purposes". The bill is a companion measure to HR.4866, the Rare Earth Supply-chain Technology And Resources Transformation (RESTART) Act introduced by Congressman Mike Coffman. Congressman Coffman announced his bill publically at TREM10 on March 17, 2010.
